SCORER RESPONSIBILITIES

- Parents may score for their own children
 - Parents have 2 options if they are unable to fulfill their scoring responsibilities...
- OPTION #1** -- Contribute \$40 per scoring date to the Junior Golf Program which allows the Golf Professionals to arrange their scorers for the year. Those scorers will be paid cash out of the junior golf contribution fund after they have submitted their groups score sheet. This option transfers all responsibility of scoring to the Golf Professional Staff eliminating the possibility of incurring a \$75 no show fee.
- OPTION #2** -- Choose their sub from the approved scorers roster (see one of your golf professionals) and make arrangements for dates and payment on their own. This option holds the parent 100% responsible for supplying a scorer. If a scorer is not arranged or doesn't show, the parent will be charged a \$75 junior golf contribution fee to their account.

Scoring

- In stroke play, a player who is acting as a marker should, on the way to the next tee, check the score with the player concerned and record it.

Bag Storage

- Bag storage will be made available for all juniors for a fee of \$50 per year. Anyone not interested in this service please remember to take your clubs with you when you leave.

Spirit of Game

- Unlike many sports, golf is played, for the most part, with out the supervision of a referee or umpire. The game relies on the *integrity* of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

Etiquette

- Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making unnecessary noise.

4. Arrival time and length of time scorers will be needed is as follows: 3 hole scorers are 7:15 – 9:00, 5 hole scorers are 7:45 – 10:30, and 9 hole scorers are 7:15 – 11:00. If you fail to fulfill your scoring commitment you will be fined \$75 billed to your account.
5. Everyone is required to score 3 times per family plus 1 additional time per extra child participating in the program.
6. Parents may score for their own children.
7. **Scorers are to keep track of strokes taken on each hole and confirm with each junior on how many strokes he or she had on each hole.**
8. Scorers are to encourage and compliment the junior on their play. Scorers should also educate the juniors on proper etiquette, but refrain from coaching or teaching.
9. If a question arises about a rule, try to contact the golf shop, or have the player play two balls and get a ruling when the round is over. The player is not to sign their scorecard until a ruling is made.
10. Scorers may take golf carts, but may not let juniors ride on the carts except when transporting them to their starting hole, or from the green to the next tee, and over the railroad tracks.
11. Do not bring extra children with you to score.
12. Please drive juniors over the railroad tracks, juniors are forbidden to walk over railroad tracks.
13. Please make sure that the scores you turn in for the juniors are accurate scores. Allowing a junior to hit mulligans or not to count all their strokes only hurts the junior and the program.
14. **Please no smoking while scoring!**
15. We encourage the juniors to play “READY GOLF”
16. If you have more than one child in junior golf you must split your scoring dates equally among each division beginning with the oldest division.
17. Check in with the division chairperson when you arrive to score so they can check you off the list and assign you to a group without delay.
18. If you cannot score on your set date, **YOU ARE RESPONSIBLE FOR FINDING A REPLACEMENT.** If you fail to show up or your replacement fails to show up, you will be fined a \$75.00 contribution fee to the Junior Golf Program. The Golf Staff has a list of approved scorers. Please contact Matt Gindler to get a scorer approved. You may also pay \$40 cash per scoring date and the Golf Shop will arrange scorers for you.
