Commitment to Caddying at Greenbriar Hills Country Club

At Greenbriar Hills Country Club a caddie needs to be dependable and committed to his/her caddie employment. A caddie's primary function is to perform a service to the golfing member. The Golf Staff will hire, teach, and employ only reliable candidates. Caddies in all classifications are expected to sign up to caddie a minimum of 1 day per week, including weekends. We understand that other commitments, family vacations, and sports may conflict with caddying duties, so please communicate in advance so we can work with you on your schedule.

Objectives of the Greenbriar Hills Country Club Caddie Program

1. At Greenbriar Hills Country Club, our primary objective is to provide a high quality caddie service to our membership. In addition to carrying golf bags, caddies perform such duties as tending the pin, raking bunkers, watching golf balls to lead your golfer to their ball, fixing ball marks, and a variety of other tasks to make each round as enjoyable as possible. More experienced or honor caddies can assist golfers or guests with information on yardage and helpful information during play of a particular hole.
2. The membership provides a service to caddies as well by:
 - * employing caddies; providing a summer job to young people.
 - * teaching the values of courtesy and sportsmanship at an early age.
 - * providing an opportunity to develop their character.
 - * providing them with an opportunity that directly rewards self-motivation, determination, and hard work.

*qualifying them to become candidates for the Evans Scholarship. This is a national scholarship which pays for four full years of college at several major universities around the United States.

Dress Code

All caddies will be required to be dressed in proper golf attire, and the WGA “green” caddie bib. All caddies that have completed a minimum of 3 loops will receive a GHCC caddie hat that will be a required part of their caddie uniform when on property.

Proper attire for gentlemen consists of tailored slacks and shorts (no shorter than mid-thigh length), sleeved shirts with collars or turtlenecks. Shirts must be tucked in at all times. Also permitted are sport sweaters, jackets, golf outerwear, or rain suits. All hats, caps and visors should be worn with the bill facing forward.

Proper attire for ladies consists of tailored slacks, capris, and shorts/skirts/skortis (no shorter than mid-thigh length), as are tailored shirts/tops. Also permitted are golf dresses, sport sweaters, jackets, golf outerwear, or rain suits.

Attire that is not permitted consists of cargo pants/shorts, frayed or excessively baggy pants/shorts, blue denim, gym sweatshirts/sweatpants, tennis or swim attire, tee shirts of any kind, tank tops, or halter tops.

Comfortable shoes are to be clean and should not have holes. The golf professional staff suggests some form of water resistance to eliminate water seepage. Spikeless golf shoes are acceptable, or spiked golf shoes without the plastic spikes attached.

- The Golf Professional Staff will be the final judgment of appropriate dress code standards.

Caddie Classifications

“All GHCC caddies are trained in both the art of Forecaddying and a traditional walking loop.”

“B CADDIE”- A first or second year caddie that is learning, and developing the necessary skills to become an efficient caddie. Once a caddie shows a solid foundation for the game and caddying while receiving no fewer than five 8-10 member ratings, they will be considered for a promotion to an “A” caddie. This is at the sole discretion of the Caddie Superintendent, Caddie Master and Caddie Committee.

“A CADDIE” - A “B” caddie currently employed at GHCC, or has been employed at another country club or shows a solid understanding for the game of golf and caddying process. “A” Caddies are fundamentally sound on the basics of caddying and have received positive feedback from the membership consistently. “A” caddies that have been part of the GHCC caddie program for 2 years and have a minimum of ten 8-10 ratings, will be considered for a promotion to “Honor Caddie” at the discretion of the Caddie Committee.

“HONOR CADDIE”- An “Honor Caddie” is a veteran caddie that has shown leadership and exceptional service to members and guests. Honor caddies also show exceptional skills in double bagging and fore caddying.

Caddie Rates

Honor Caddie	\$40/bag + gratuity **Only Honor Caddies are allowed to double bag.**
A Caddie	\$30 + gratuity
B Caddie	\$25 + gratuity
Forecaddie	\$10/bag + gratuity

***Caddies will be paid once they have turned their evaluation card in to the golf shop post-round

(occasionally payment will be delayed if the caddie fund box is being replenished). The evaluation card will need to be completed and legible to receive payment.
